

## **PHIL-AN-THROPY**

& Tax Prevention Strategies  
Brought to you by Kerby Centre

We are delighted to be able to extend an invitation to you on behalf of Kerby Centre to the Philanthropy Session. This session is your opportunity to find out about how you, your family and friends can give to Kerby Centre, while at the same time learning how you can keep precious tax dollars here in Alberta (and out of the hands of the Federal Government). Well over 35 billion dollars are transferred annually to Ottawa while 21 billion dollars are received back...that means that 14 billion dollars each year is staying in the hands of government, when they actually could have remained in Alberta, with a portion of those dollars in support of our charity that assists thousands of seniors annually.

You will learn from Hal Button, our expert advisor and “thought leader” in Philanthropic Planning and Philanthropic Advisor to The Family Office, how you can financially support Kerby Centre in a manner that is well thought out and strategic... and takes into account your retirement and **Will and Estate Planning** needs.

The Governor General has made encouraging philanthropy and volunteerism central to his role as the Queen's representative in Canada. He states: “It is a noble call and one we hope everyone who can, feels compelled to answer.”

You can give your money to the people who run the country through your taxes, or you can donate your money to the people who make the country run through your donation. We hear on countless occasions that people would prefer to give to charity and how great that feels! **HOW ABOUT YOU?**

We would be honoured if you would join us for this very informative and uplifting session to learn how you can give back to an organization that has given so much, to so many, for so many years.

**Location: Kerby Centre (Room TBA)**  
**Time: 1:00 pm – 4:00 pm**  
**Date: Nov. 15 (this will be the final session of 2011)**
